mail@tomaswrobel.dev

708 00, Ostrava-Poruba, Czechia

Language skills

- English (B2)
- Spanish (A2)

Personality

- sociable
- respectful to others
- ability to learn new things
- general knowledge

Certificates

SoloLearn, Inc.
2020 - 2022

SoloLearn provides with basic knowledge of programming. I took courses in English. For example, I received HTML, C#, JavaScript or React + Redux.

Programming Hub
2020 - 2023

Programming Hub is an official partner of Google LaunchPad. It focuses on advanced skills. I gained for example JavaScript Advanced or C.

freeCodeCamp
2020 - 2021

Even though freeCodeCamp isn't paid, its courses are specific and really practical. I got JavaScript Algorithms or Frontend Libraries

Education

Grammar School of Wichterle
Maths and Science¹
2013-2024

15th most prestigious high school in Czechia („Wichterlovo gymnázium”) adds to general knowledge also more Maths, ICT and Science.

Being extremely difficult, it also provides with extended language classes with native speakers. Moreover, you can choose from individual classes which are led by experts in given problematic.
